

# Restoration Coordination

## Memorandum

Date: May 29, 1998

To: CALFED Policy Group

From: Lester A. Snow  
Executive Director

*K. Hansen  
for Snow*

Subject: Restoration Coordination Program

### PROPOSAL SOLICITATION PACKAGE

#### Summary

The May 1998 Proposal Solicitation Package was released in early May. The pre-submittal workshop is scheduled for June 2 and proposals are due on July 2. A decision on proposals is scheduled for September 1998.

#### Action Required

This is an information item only.

### WATER ACQUISITION

#### Summary

The BDAC Ecosystem Roundtable and CALFED Management Team have recommended that a \$14 to \$16 million drought acquisition reserve be established from the \$20 million previously reserved for water acquisition.

#### Action Required

CALFED Policy Group will be asked if they concur with establishment of a \$14 to \$16 million drought reserve.

#### Detailed Discussion

See attached issue paper on Water Acquisition.

Natural Resources Conservation Service  
Department of Commerce  
National Marine Fisheries Service

## **CONTRACT AMENDMENT PROCESS**

### **Summary**

The BDAC Ecosystem Roundtable and CALFED Management Team have recommended several modifications to the current process used to consider amendments which would provide an opportunity for expedited and more effective review.

### **Action Required**

CALFED Policy Group will be asked if they concur with the proposed modifications of the contract amendment process.

### **Detailed Discussion**

See attached issue paper on Streamlining the Contract Amendment Process.
